

Memorandum

Date: April 28, 2006

To: Dr. Rudy Tarpley, ASTE/USU
Dr. Brian Warnick, ASTE/USU

From: William L. Deimler, State Specialist
Agricultural Education

Subject: 2006 Summer Agriculture Internship Program

Enclosed is an application for the 2006 Summer Agriculture Internship Program. Please provide a copy of this application to all students who are interested in participating.

Instructions:

1. Each applicant will need to complete the application and secure an approval signature from Dr. Tarpley or Dr. Warnick.
2. To be accepted the application must be returned the Utah State Office of Education by **May 5, 2006**.
3. Once the student is approved they will be responsible to contact the district that they want to work with and let them know that they are available. I have enclosed a list of the District CTE Directors.
4. I will send the list of approved Interns to you and to the District Directors.

The purpose of the Summer Intern Program is to provide quality on-the-job experience for Junior and Senior students enrolled in the Agricultural Education Teacher Preparation Program in the ASTE Department at Utah State University. Exceptions have been granted but are not actively pursued.

Only **ten** interns will be approved. Each District will be allowed to hire a total of **two** summer interns. The funding allocated to the district for this program will be approximately \$5,000 per Intern.

Please let me know if you have any questions.
